

Newton Free Library

Object: record book

Title/Subject/Bibliographic or Other Significance: Female Benevolent Society. Club Records. Volume 3.

CONDITION ON RECEIPT: The quarter leather and decorated paper stationery case binding was worn and abraded. A pressure-sensitive call number tag was adhered to the front cover. The front joint was partially broken. The text block consisted of ruled pages with manuscript ink entries. The sewing was weak, but intact. Most of the pages were in relatively sound condition even though they were dirty, discolored, and acidic. An inked-over barcode was adhered to the front flyleaf. A security strip was adhered between two leaves.

TREATMENT REPORT: The volume was microfilmed. Treatment was documented with color slides. The pH was recorded before and after treatment: before, 4.5, after 8.0. The head, tail, and pages were dry cleaned where necessary. The pages were nonaqueously alkalized (deacidified) with a suspension of magnesium oxide in a perfluoro compound (Bookkeeper). Tears were mended and folds guarded where necessary with Japanese kozo paper and wheat starch paste. The call number tag, barcode, and security strip were removed mechanically and residual adhesive stains were reduced with acetone. The first flyleaf attachment and front internal hinge were reinforced with Japanese kozo paper and starch paste. The front joint was repaired using Japanese paper colored with acrylic pigment. The volume was housed in a phase box.

Pledge of the Ladies Benevolent Total Abstinence Society

The members of this Society agree, that they will never again drink any intoxicating liquors, except, when prescribed by a medical attendant, or in case of wine at communion, and that they will not provide them for their friends, or for persons in their employ, and that they will on all suitable occasions, (~~discountenance~~) discountenance the use of them in the Community, and above all, that they will use their utmost endeavours to reclaim and restore to temperance, those who are unfortunately addicted to drunkenness.
